1. Who we are and what these terms cover

1.1 These Terms of Use apply to the official website of Intliri Academy at www.intliriacademy.in and to the compliance portal at portal.intliriacademy.com (together, "the sites"). The sites are run by Sachin Ramchandra Naik, trading as Intliri Academy, an individual SEBI Registered Research Analyst (registration INH000021119, BSE enlistment 6570), 28, Jyotiba Colony, By Pass Road, Near Shanti Nagar, Amravati - 444 606.

1.2 By using the sites you accept these Terms of Use. If you do not accept them, please do not use the sites.

1.3 They do not cover our learning programmes or the learning platform, which have their own terms. They also do not replace the Terms and Conditions and the Most Important Terms and Conditions that a client signs for research services. If those documents and these Terms of Use differ, the document that applies to the service you are using prevails.

2. Information only, not advice

2.1 The website gives information about Intliri Academy and the disclosures and policies that SEBI requires us to publish. Nothing on the sites is investment advice, a recommendation, an offer or a solicitation to buy or sell any security.

2.2 We give research recommendations only to clients who have completed onboarding, and only through the recommendation channel described in their Terms and Conditions. We do not give recommendations on the sites, by phone, or by personal message.

2.3 Investments in securities market are subject to market risks. Read all related documents carefully before investing. Registration with SEBI, enlistment with RAASB and NISM certification do not guarantee the performance of the Research Analyst or assure any returns. We do not offer any guaranteed returns. Please stay away from anyone offering unrealistic returns or guaranteed profits from market-related products.

3. Our other activities are not regulated by SEBI

Intliri Academy's learning programmes, courses, coaching, learning platform and AI Hub are not governed by SEBI and are outside its purview. They are independent of the research services provided by the Research Analyst. A complaint about them cannot be made to SEBI. Please make it to us under our Grievance Policy.

4. Using the sites

4.1 You may use the sites for lawful purposes only. You must not:

- try to get into any part of the sites, a server or a database that you are not meant to reach;
- interfere with the sites or slow them down, including by sending automated requests in bulk or by scraping;
- introduce viruses or any other harmful code;
- pretend to be another person, or to be us;
- use the sites to send spam or to harass anyone.

4.2 We may suspend or block anyone who breaks these terms.

5. Ownership of the content

The text, documents, designs, logos and other material on the sites belong to Intliri Academy or are used with permission. You may read them and download the documents we publish for your own use. You may not copy, publish, sell or change them without our written permission, and you may not remove any notice of ownership.

6. Links to other websites

The sites link to SEBI, BSE and other websites. We have not reviewed all of them and are not responsible for their content or practices. A link is not an endorsement.

7. Availability and accuracy

7.1 We try to keep the sites running and accurate, but we do not promise that they will be available without interruption or free of errors. We may change, pause or remove any part of them, for example for maintenance.

7.2 Where a page gives a date or version, that is when it was last updated.

8. Limit of our responsibility

8.1 To the extent the law allows, we are not responsible for loss that results from using the sites, or from not being able to use them, including loss from a decision you make on the basis of information on the sites.

8.2 Nothing in these terms limits our responsibility for fraud or wilful misconduct, or takes away any right you have under the SEBI regulations, SEBI circulars or any other law.

9. Your responsibility

You are responsible for what you do on the sites and for your own device and internet connection.

10. The compliance portal

10.1 Who can use it. The portal is for people who we have invited, or who register, to be onboarded as clients of our research services. You must be 18 or older. Access for our own team and for

auditors is governed separately.

10.2 Your account. Keep your sign-in details and any one-time codes private and do not share them with anyone, including us. Tell us at once at support@intliriacademy.com if you think someone else has used your account. You are responsible for what is done under your account.

10.3 Accurate details. Give us true and complete details, and keep your email address and mobile number up to date. We will never ask you for the login details or OTPs of your trading, demat or bank accounts.

10.6 Use the portal only for the purpose it is provided for. Do not upload files other than those we ask for, and do not share anyone else's personal data through it.

10.7 We may suspend or end your access if you break these terms, if your onboarding is not completed, or if the law or a regulator requires it. The portal may be unavailable from time to time, so please keep your own copy of any document you sign.

11. Privacy and cookies
